Attended: Matt Brealey, Bruce Scott, Vince Northwood, Roxy Guyn-Kabayama, Kate Lord, Paul Coggan, Gavin Rocher, Juliet O'Rourke, Cathy Churchill

Apology: Mark Williams, Helen Scott

A summary of the key points raised from tonight's discussion group (the way forward from here)

- NBHC to review, update & complete the CMP Draft Initial working document (See marked up version with comments attached)
- NBHC to write to gain the blessing (full support) of the Port Stephens Council, (now you have the full support of the TSC)
- Be the initial "driver of the Bus" and pick up the relevant passengers along the way (other vested stakeholders in this vision)
- Change the language (Name) from Hockey Synthetic field to Multipurpose Synthetic Turf Facility (MSTF)
- Start saving & chasing grants & grants & grants.
- Form a working subgroup inviting all codes & key community person/s to be part of this group.
- TSC to table at the February Meeting to gain the wider support of the group.
- TSC to table at the February Meeting to reinvest in the update of Tomaree Sports Complex - Master Plan to expand the plan to include Salamander Sports Complex (&/or other satellite facilities such as Korora Oval, Bill Strong, & Fingal Oval) - **RENAME THE PLAN TO THE TOMAREE SPORT MASTER PLAN**

Again thanks again and working with TSC Exec and we hope this dream of your club turns into a goal and reality.

Warm regards

Matt Brealey
